The PRESIDING OFFICER. The Senator from Wyoming.

MORNING BUSINESS

Mr. ENZI. Madam President, I ask unanimous consent that the Senate be in a period of morning business, with Senators permitted to speak therein for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

BUDGETARY REVISIONS

Mr. ENZI. Madam President, section 3001 of S. Con. Res. 3, the concurrent resolution on the budget for fiscal year

2017, allows the chairman of the Senate Budget Committee to revise the allocations, aggregates and levels in the budget resolution for legislation related to healthcare reform. The authority to adjust is contingent on the legislation not increasing the deficit over the period of the total of fiscal years 2017 to 2026.

I find that amendment No. 271 fulfills the conditions of deficit neutrality found in sec. 3001 of S. Con. Res. 3. Accordingly, I am revising the allocations to the Committee on Finance, the Committee on Health, Education, Labor, and Pensions, HELP and the budgetary aggregates to account for the budget effects of the amendment. I am also adjusting the unassigned to committee savings levels in the budget resolution to reflect that while there are savings in the amendment attributable to both the HELP and Finance committees, the Congressional Budget Office and Joint Committee on Taxation are unable to produce unique estimates for each provision due to interactions and other effects that are estimated simultaneously.

This adjustment supersedes the adjustment I previously made for the

processing of S. Amdt. 267. This adjustment applies while this amendment is under consideration. Should the amendment be withdrawn, fail, or lose its pending status, this adjustment will be null and void and the adjustment for amendment No. 267 shall remain active.

I ask unanimous consent that the accompanying tables, which provide details about the adjustment, be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:
